Despatch of weighed coal by rail

1856. SHRI NILOTPAL BASU:
SHRI DIPANKAR MUKHERJEE:

Will the Minister of COAL be pleased to state:

(a) the percentage of coal despatched by rail which were weighed on electronic weigh bridge in 1994-95;

(b) the percentage of coal unweighed, and the deduction in Rupees per tonne on account of short receipts; and

(c) the percentage of coal weighed during despatch by rail in April, May and June, 1995?

THE MINISTER OF STATE OF THE MINISTRY OF COAL (SHRI AJIT KUMAR PANJA): (a) Coal India Limited (CIL) have reported that about 58% of coal despatched by Rail during 1994-95 was weighed on Electronic Weighbridges.

(b) About 23% of coal despatched was unweighed. The provisional deduction on account of short receipt was about Rs. 6.20 per tonne.

(c) During the period April to June, 1995, 60% of coal despatched by rail by Coal India Ltd, was reported to have weighed on electric weighbridges.
